In A Vision for Preaching, he enables preachers to have a better conception of what it means to preach, a fuller understanding of the divinely granted privilege of preaching, and a greater excitement for the preaching ministry. Concluding biblical reflections reinforce the teaching of each chapter.

A Vision for Preaching: Understanding the Heart of ...

In the present work the author aims to give an integrated vision, connecting preaching to the entirety of pastoral ministry. He also seeks to fill a specific lacuna in the academic discipline of preaching, namely, "a lack of clarity about how to derive valid application for a modern audience from a specific passage in the ancient text.

Book Review: A Vision for Preaching - Cedarville University

This book is not a superficial treatment of homiletics. Nor is it a book on preparing expository sermons. Instead Kuruvilla shares his vision for preaching, and this is a vision every pastor needs, who preaches God's word. This book makes you think and reflect, and I'm sure I will be referring back to it often.

Topical Sermons - The Need For Vision

Vision-casting is an important part of your role as a pastor. God has a vision for your church. Your job is to help your parishioners get behind that vision. You'll need to communicate these seven things when you do that.

7 Ways to Help Others Understand the Vision

-Donald R. Sunukjian, professor of preaching, Talbot School of Theology In A Vision for Preaching, homiletics scholar Abraham Kuruvilla offers a compelling vision of what preaching is and can be, unpacking that vision through a series of chapters that explore what it means to be a biblical preacher. As he analyzes preaching through various lenses, he offers those who proclaim God's Word a useful way to interpret their own calling and task.

A Vision for Preaching: Understanding the Heart of ...

Summary: Learnign how to implement a Godly vision. Vision is the starting point and end point of effective leadership and is part of the standard equipment of a real leader. It is vision that makes a person a leader. A person without a vision is not a leader. Yet having a vision does not in itself make one a leader.
