Activating Human Rights and Peace : Professor Bee Chen ...

Theorizing about the nature of human rights is an endless, compelling and perplexing project. While it is evident that human rights are presently the normative moral framework at hand in the twenty first century, accepted by and large and entrenched in the international community, Amartya Sen has cogently pointed out that 'philosophers and legal theorists see the rhetoric of human rights as ...

Activating Human Rights and Peace eBook by GOH Bee Chen ...

Using a diverse cross-section of case studies, *Activating Human Rights and Peace* argues that we need to appreciate that cultivating a human rights and peace consciousness is choice-less. There is a moral imperative to engender and sustain an ethical praxis that is motivated by a concern and commitment for how we live with each other.
