Politics of preferential development: Trans-global study ...

The book is a critical examination of affirmative action, a form of preferential development often used to address the situation of disadvantaged groups. It uses a trans-global approach, as opposed to the comparative approach, to examine the relationship between affirmative action, ethnic conflict and the role of the state in Fiji, Malaysia and South Africa.

Affirmative action, ethnicity, and conflict (Book, 2013 ...

Opinions differ widely on whether affirmative action is the cause of or solution to ethnic and racial conflicts. The extent to which such conflicts are fostered by resource imbalances is also a matter of debate, but in many cases economic and social inequities are closely associated with such conflicts.

Affirmative Action Policies - Sociology of Race - iResearchNet

Affirmative action opens doors in the organization while managing diversity opens the culture and the system. Managing diversity does not replace affirmative action; rather, it builds on the critical foundation laid by workplace equity programs. Affirmative action and managing diversity go hand-in-hand, each reinforcing the gains of the other.
