Hofstadter earned his PhD in 1942. In 1944, he published his dissertation *Social Darwinism in American Thought, 1860 – 1915*. It was a commercially successful (200,000 copies) critique of late nineteenth-century American capitalism and its ruthless "dog-eat-dog" economic competition and Social Darwinian self-justification.

Richard Hofstadter - Wikipedia

A two-century history of Anglo-American capitalism and commerce, Lichtenstein 's work argues that the contemporary market power of brands and retailers over and against the manufacturing entities that serve as their foreign vendors has had an historical echo in the antebellum era when
