Why are they arguing instead of fighting? What are arguments made of? What forms do they take? Think Again: How to Understand Arguments will answer these questions a more. In this course, you will learn what an argument is. The definition of argument will enable students to identify when speakers are giving arguments and when they are not.

Think Again I: How to Understand Arguments | Coursera

understanding arguments is to ask what they are used for,what people are trying to accomplish when they give arguments. This brief chapter will propose a defini-tion of arguments and then explore two main purposes of arguments: justification and explanation. Both justifications and explanations try to provide reasons, but reasons of different ...
