Second, it will reconceptualize the three dimensions of a post-exotic anthropology as a domain of study: (1) change the object of study from subaltern communities to transitional social formations ...

(PDF) Anthropology: Theoretical Practice in Culture and ...

Anthropology: Theoretical Practice in Culture and Society interrogates the structure and content of my introductory courses, dissolving the staid themes of my lectures only to rebuild them into a "militant middle ground" neither dismissing the past accomplishments of anthropology nor ignoring trenchant, contemporary critiques. It is—treading again on postmodern ground—a supplement to my introductory classes, an alembic from which I can call forth more competent lectures.

Project MUSE - Anthropology: Theoretical Practice in ...

In anthropology, there are several main theoretical perspectives. One of the earliest is known as structuralism, which sought to find patterns in social life. Culture is made up of binary...
