The oldest documented forms of art are visual arts, which include creation of images or objects in fields including today painting, sculpture, printmaking, photography, and other visual media. Sculptures, cave paintings, rock paintings and petroglyphs from the Upper Paleolithic dating to roughly 40,000 years ago have been found, but the precise meaning of such art is often disputed because so ...

Art - Wikipedia

## Online Library Art Forms From The Ocean The Radiolarian Prints Of Ernst Haeckel

The term form can mean several different things in art. Form is one of the seven elements of art and connotes a three-dimensional object in space. A formal analysis of a work of art describes how the elements and principles of artwork together independent of their meaning and the feelings or thoughts they may evoke in the viewer. Finally, form is also used to describe the physical nature of the ...
