Go Bokke! Bell Equipment wishes the Springboks all of the very best for tomorrow's test against the All Blacks. Introducing our new model B60E E-series ADT, which was brought into service recently to take the kicking tee onto the field during Currie Cup and Super Rugby home games for the Sharks.

Bell Equipment - B60E Kicking Tee | Facebook

These articulated dump trucks (ADTs) imported from Europe were effective and versatile. Bell nevertheless saw room for improvement, fine tuning their design to better cope with the harsh operating conditions common in Africa. Launched in 1985, Bell Equipment's first ADT, the 25-ton model was a resounding success.

Like the Bell B60E, the B45E 4x4 bin concept is along the lines of a rigid dump truck rock bin with bottom-mounted telescopic tip cylinders. Thanks to its wide geometry and flat-bottomed floor, the 41-tonner fits in well with typical quarry loading equipment and offers better filling

characteristics than the longer 6x6 ADT bins of the same volume.
