The previous bonaire humidifier I bought had the same problem. It stops misting after about a month and leaks around the base. Bonaire seems to make disposable product. You get what you pay for. For me, this was a complete waste. Amazon should really consider allowing negative star rating. This is one of those items.

Bonaire BU498-U is designed for small rooms, you can put it on the nightstand in your bedroom, or on desktop in your personal offices.. The one biggest advantage of this unit is its quiet operation. It will not disturb your sleep, though it has a blue light at the mist spout, it's no brighter than a night light bulb.
