Plastic bricks and other elements that were once available only in primary colors, plus black and white, now came in more than 100 hues. A far cry from the simple box of bricks that baby boomers grew up with, Lego sets had grown much more elaborate: A pirate kit included eight pirates with 10 types of legs in different attire and positions.

Rebuilding Lego, Brick by Brick

By transforming its supply chain, LEGO has upped its profitability and achieved "towering" success. Before LEGOLAND and the LEGO Batman Movie, there were simply LEGOs, those tiny interlocking bricks that stack into towers of all shapes and sizes and litter the bedroom floors of children across the world.
