Welcome to the Hidden Legacy page. This is our new series, published by Avon. It's a story of a woman who exists in a world very much like our own, except this world revolves around Houses, magic dynasties. They own corporations, they dominate politics, and they feud to each other.

Hidden Legacy - Ilona Andrews

Yes, in burn for me (book 1 to hidden legacy) the romance is quite similar. They argue and fight non stop, but that attraction is there. I love it. I hate books where they just fall in love at the beginning. I think you'll really enjoy burn for me. I can't wait for book2. I haven't read all of the Inkeepers yet.
