**Business Research Methods - McGraw-Hill  
Education**

The authors use managerial decision-making as the theme of Business Research Methods and they provide the content and structure to ensure students' grasp of the business research function. This textbook also encourages and supports the completion of an in-depth business research project, if desired, by the professor.

pages. 1 Review. Cooper and Schindler's  
Business Research Methods offers students and  
instructors thorough coverage of business  
research topics backed by solid theory. The  
authors are successful marketing research  
consultants and that is evident in the rich  
and realistic case studies found in the text.
