Another way to use timing to your advantage when buying a new car is by getting a vehicle from the previous model year. New-model-year vehicles will start to come out in the fall of the previous year -- for example, a 2021 model will debut in the fall of 2020 -- and dealerships usually want last year's stock gone before the new model arrives.

Buying a New Car: When's the Best Time? - Autotrader

The first step to buying a new car is to see if you can pre-qualify for a car loan through a credit union or online bank. By doing this, you'll know how much car you can afford before you start shopping. You'll also know what type of monthly payment you will have to budget for. We can't stress it enough: This is a critical first step!
