The Careless Society: Community and its Counterfeits. John ...

The Careless Society: Community And Its Counterfeits a book by John McKnight (our site's book review) In a well-needed assault on the liberal social engineering mindset, McKnight points out flaws in the thinking of people who are saying that the cure for what ails our country is to reform its service-producing institutions.

The Careless Society: Community And Its Counterfeits

This tendency to yield control is perhaps most evident in the field of social services, where The Careless Society is at its most persuasive. Here we see coercion at work, with the government using taxpayers' money to foist "services" upon the most vulnerable members of our society. As McKnight reports, the resulting picture is not pretty:
