Wonderful book. As a child I had the other one called Cathedral. Cathedrals are cool, but I thought wouldn't it be amazing if the same author did a book on Castles. Now that would be cool. I was delighted when I discovered this. Even if you know a lot about castle design and architecture, there are defenses and design features I had no idea about.

My 2 1/2 year old loves this book. We read it every night. I was happy to find a slightly informative book about castles, rather than another story book. The pictures are colorful and interesting and the amount of text is perfect. Enough to be interesting, but not so much that he becomes bored and turns the page before I can finish reading to him.

When I think of England, I think castles. The first thing a lot of people think about England is castles and medieval fortresses. Despite England's fame for castles, there aren't actually that many that have survived intact. I've always dreamed of owning a castle. Who hasn't? But I know that's very unlikely with the way [...]
