Children Without A State A

Children Without a State is the first book to examine how statelessness affects children throughout the world, examining this largely unexplored problem from a human rights perspective. The human rights repercussions explored range from dramatic abuses (detention and deportation) to social marginalization (lack of access to education and health care).

Statelessness since 1961. On 13 December 1975, the 1961 Convention on the Reduction of Statelessness entered into force. It provides a number of standards regarding acquisition and loss of nationality, including automatic loss, renunciation, and deprivation of nationality.

Statelessness - Wikipedia

In 2017, most children and youth experiencing homelessness who were unaccompanied were 13 to 17 years old (87 percent), while a disproportionately high number of all children in federally-funded shelters were infants (under age 1) and young children (ages 6 and younger) – 10 and 45 percent, respectively.

Children and Youth Experiencing Homelessness - Child Trends

1. Introduction. Two well-known facts provide a rationale for the current study. First, the percentage of children living with single parents increased substantially in the United States during the second half of the 20th century. Only 9 percent of children lived with single parents in the 1960s—a figure that increased to 28 percent in 2012 (Child Trends, 2013).

Single-Parent Households and Children's Educational ...

Until 2002, Texas had a reputation for generally disallowing an out-of-state move by a parent with her children. Since then, however, the courts have become more lenient. Ultimately, when you get before a judge, he will base his decision on several factors. One such factor is your existing relationship with your children.

Texas Custody Laws on Moms Taking the Children Out of ...

In all states, in the absence of a will or other estate plan, legally adopted children inherit from their adoptive parents just as biological children do. Stepchildren. Most states do not include stepchildren (children of the spouse of the deceased person who were never legally adopted by the deceased person) in their definition of children for purposes of inheritance.

How an Estate Is Settled If There's No Will: Intestate ...

States are responding to U.S. Supreme Court rulings that have found mandatory life-without-parole sentences unconstitutional for juveniles except for the rare homicide offender incapable of rehabilitation. After the latest ruling in January 2016 said those serving such terms must have a chance to argue for release one day, dozens of inmates have won new sentences — and some, freedom ...

A state-by-state look at juvenile life without parole

Proportionately, poor children were far more likely to lack necessary health cover-age than non-poor children. Among the poor children, 23.3 percent lacked health cover-age in 1996, almost twice the 12.7 percent of children above the poverty line. Fact: Almost 1 in 4 poor children lacked health insurance in 1996. The proportion of children without

If permission to travel out-of-state or abroad with your children is required by court order, parents should not disregard this requirement and travel without it. Doing so can put them in contempt of a court order and may open them up to civil or criminal penalties.

Permission to Travel Out of State with a Minor Child ...

Parents can often get upset when they learn that their child was questioned by law enforcement without their express permission. Juvenile justice varies from state to state, but most jurisdictions require parents be notified any time police take a child into custody, and many others will ask for parental consent before questioning a minor, even though doing so is not constitutionally required.
