Rise of the Guardians is a little bit disappointing but also a bit satisfying. It has the heart in a right amount but only the half of the film. The rest is all action and having fun, but it's not a bad thing. They just could have moderated the craziness and get a bit of focus to the storyline. The film is still worth watching.

Rise of the Guardians (2012) - IMDb

The Guardians of Childhood is a series of children's picture books and novels and the inspiration for DreamWorks' Rise of the Guardians adaptation. The books are written and illustrated by author William Joyce, whose other works include George Shrinks, Santa Calls, A Day with Wilbur Robinson...

Children ' s literature and the novel developed in tandem. Critics often date the rise of both to the 1740s, when Samuel Richardson and Henry Fielding produced the bulk of their work and when John Newbery began publishing books for children. Today the two overlap in the genre of the children ' s novel, but when
