Why cops need to get out of their cars: Strategies for community engagement If you can't name or recognize your city council members and community religious leaders, you may have a problem.

How police departments can improve community engagement

Community policing is related to problem-oriented policing and intelligence-led policing, and contrasted with reactive policing strategies which were predominant in the late 20th century. It does not eliminate the need for reactive policing, although successful prevention can reduce the need for the latter.
