BREAKING DOWN 'Credit Risk'. When lenders offer mortgages, credit cards, or other types of loans, there is a risk that the borrower may not repay the loan. Similarly, if a company offers credit to its client, there is a risk that its clients may not pay their invoices.

Credit Risk Definition - [investopedia.com](http://investopedia.com)

## Download File PDF Credit Risk Review Uba

Credit risk is most simply defined as the potential that a bank borrower or counterparty will fail to meet its obligations in accordance with agreed terms. The goal of credit risk management is to maximise a bank's risk-adjusted rate of return by maintaining credit risk exposure within acceptable parameters.
