In the 1990s there was a public outcry when some chief constables shifted resources away from community policing, taking officers off the beat and closing local police stations, to focus on ...

### What do we mean by police independence? | openDemocracy

This article addresses the issue of police officers' use of discretion when responding to domestic violence. With reference to Ericson and Haggerty's theory of risk-oriented policing, we collected data direct from information management systems in an English police force and conducted field observations with attending officers to explore the degree to which officers used discretion to ...

### Evidence-Based Policing | National Police Foundation

A police tactical unit is a specialized police unit formed and trained to handle situations that are beyond the capabilities of ordinary law enforcement forces because of the level of violence - or risk of violence - involved. Their missions include serving of search warrants for dangerous persons, arresting or neutralizing dangerous or deranged armed persons and intervening in high risk situations such as shootouts, hostage taking and terrorist incidents.[Note 1]
