Car stereos produced by Eclipse are well regarded for their dependability and excellent sound quality. However, even the best car stereo may run into internal malfunctions which can require a "reset." Knowing how to do this will save time and money, and may prevent you from trashing a perfectly good stereo.

Eclipse was established in 1999 to provide superior service for the corporate traveler. Since then, we have worked diligently to combine World Class transportation with user-friendly technology, allowing more personalized service for our clients.

EclipseEclipse Home

Later models included an optional CD player. Over the years the Eclipse has been fitted with factory installed CD players, Mp3 players, satellite radio receivers and most recently, DVD navigation units. Eclipse owners who wish to replace their factory radio with an aftermarket unit can do so with little previous car audio experience.
