About Face The Essentials Of Interaction Design

I've started a list of essays and articles that I feel are important touchstones and reference points for interaction designers. These are not books (my Top Ten Essential Interaction Design Books), book chapters, or presentations (list to come), and I've certainly left out some classic (and not-yet-classic) articles. The list, as the best lists often are, is idiosyncratic.

The movie *Design and Thinking* is a documentary-style glimpse into the world of Design Thinking from the perspective of some of its practitioners, thought leaders, and critics. The movie is by no means exhaustive, nor does it unpack the process or techniques in major detail, but it provides an introduction to the methodology and perspectives of those who make use of it within different settings.
