Exploring care is such a foundational aspect of our work that we have already launched a spinoff company, Cityblock Health, focused on community-based care in underserved urban communities. Sidewalk Labs recently partnered with a Toronto-based firm, Idea Couture, to learn more about how neighborhoods can truly be drivers of community well-being and, by extension, individual health.

Urban exploration (often shortened as UE, urbex and sometimes known as roof-and-tunnel hacking) is the exploration of manmade structures, usually abandoned ruins or hidden components of the manmade environment. Photography and historical interest/documentation are heavily featured in the hobby and it sometimes involves trespassing onto private property.

Urban exploration - Wikipedia

This workshop seeks to explore cross-sector efforts, in our region and beyond, addressing these unique complexities of urban environmental justice, with a specific focus on green infrastructure as it relates to the challenges of sustaining communities in place.

Sustaining Communities | Urban@UW

The mailing list and website were for urban explorers to share their experiences and network among themselves in further explorations. After Paul passed away in 2005, the Urban Explorers Network passed to me and I have maintained it to this day in his memory and for the future of urban exploring.
