Franchise law in Canada is rapidly expanding, with six of the ten Canadian provinces now having established their own laws for franchising. This rapid expansion in the law makes it essential for a franchising attorney representing clients who want to expand into Canada to have a thorough knowledge of current Canadian laws governing the industry.

Fundamentals of Franchising- Canada by Peter Snell, Larry ...

Franchising is a business model that combines the best aspects of sole proprietorship and Corporate America. It can be described as a "hybrid" model that fills the gap between working for somebody else (whether a large corporation or a small business) and working for yourself. Franchising is not an industry in itself.
