Cambridge Handbook of Psychology, Health and Medicine Second edition. Edited by Susan Handbook of Adolescent Psychology, (2nd edn). Hoboken, New. The first edition of the Handbook of Child and Adolescent Clinical Psychology, which is a single authored text written by Professor Carr was published in 1999.

Handbook Of Adolescent Psychology Second Edition

In 2004, in our preface to the second edition of the Handbook of Adolescent Psychology, we noted that 24 years separated the first and second editions of this work. At the time of the publication of the first edition, the field was one where relatively little empirical work was being conducted and where, as well, the major theoretical frame was psychoanalytic.
