Hesston Manuals | Farm Manuals Fast

Hesston has been known as the hay and forage innovator since 1955, when the company developed the first commercially available self-propelled windrower. Other industry firsts have included the first hydrostatic windrower, the first center-pivot mower-conditioner and the first big square baler—which had nearly 50 individual patents of its own.

5800 Hesston Belts - Round Baler Parts - Hay Parts

Around my neck of the woods, there are a fair number of Hesston 530 type small round balers - 39" x 48" small round bales. Some of these balers have different numbers, there is at least one in MF colors and I think these balers were also badged CaseIH at some point in time. Small fields, low hp tractors so a smaller baler.
