Find support and troubleshooting info including software, drivers, and manuals for your HP PSC 1100 series

HP PSC 1100 series | HP® Customer Support
Two-sided printing is not built into the HP PSC 1100, 1200, or Officejet 4100 series software. While the print drivers do not support two-sided printing, it may be possible to perform two-sided printing from some programs. The ability and method for manually performing two-sided printing will vary depending on the program being used.
