The Peninsular War of 1808-14 looms large in British history for two reasons: it is the only significant involvement of British troops on land in the Napoleonic wars until the final campaign of 1815; and it is the stage on which the duke of Wellington rises to prominence as a national figure. Nevertheless in the broader picture of the European war it is little more than a sideshow, affecting the final result only because it ties up French troops whom Napoleon would dearly like to use elsewhere.
