LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Question We recently purchased a 2006 Holzher 1310-6 edgebander that came with an operator's manual that consists of three binders. I can find nothing in these manuals to describe the process to remove the trimmer and scraper units to replace the insert cutters and then re-align the units to the drive chain.

HOLZ-HER edgebanders, CNC machines and saw technology

Visual zero joints with PUR glue – allowing use in wet areas – are natural for HOLZ-HER customers. Starting with the state-of-the-art, high gloss edging right up to solid wood edging with extremely high cross sections, HOLZ-HER remains unequalled in terms of appearance, regardless of the material. HOLZ-HER sets the trends for tomorrow today.
