99 prelude base auto to manual tranny swap - Honda Prelude ...

Honda has long built nearly all of its own automobile transmissions, unlike many other automobile manufacturers which often source transmissions from external sources. The most notable exception was in 2014, when Honda decided to forego an in-house designed transmission and chose the ZF 9HP transmission for their Acura TLX V6 model, later extending the offering of the ZF transmission to the ...

List of Honda transmissions - Wikipedia

Transmission going out on friend's 2004 Impala. Is it possible to install a manual transmission taken from a 1992 Honda Civic in this car? Not worth replacing trans on a car this old, but the engine and everything else are still perfect. My friend was able to get a free manual trans from a 1992 Honda Civic.
