Information Graphics by Sandra Rendgen - Goodreads

The latest from Taschen's classic books collection is a fascinating journey into the world information graphics. In the age of big data and  
digital distribution, when news travel ever further and faster and media outlets compete for a fleeting slice of online attention, informa  
graphics have swept center stage.

Classic books: Taschen History of Information Graphics

This looks like an interesting new book from Taschen, Information Graphics (buy at Amazon). Our everyday lives are filled with a massive  
flow of information that we must interpret in order to understand the world we live in. Considering this complex variety of data floatin  
us, sometimes the best — or even only — way to communicate is visually.
