International Law Studies | Vol 78 | Iss 1

This Volume contains a number of important cases which illustrate the application of the law of war crimes to different circumstances and acts. It also illustrates very usefully how the international law of war and war crimes is dealt with 'by military courts on the one hand, and by the national courts on the other.

Case citation is a system used by legal professionals to identify past court case decisions, either in series of books called reporters or law reports, or in a neutral style that identifies a decision regardless of where it is reported. Case citations are formatted differently in different jurisdictions, but generally contain the same key information.. A legal citation is a "reference to a ...
