Japan to release Fukushima contaminated water into sea ...
With a gently flowing text (and from a rhythmic consideration actually somewhat and pleasantly reminiscent of the movement of the tides, of ocean currents) Into the Sea (written by Brenda Z. Gulberson and illustrated by Alix Berenzy) traces the life of one sea turtle, from the time she hatches in a sandy beach nest, until she returns, after more than twenty long years in the ocean, to the very ...

Into the Sea by Brenda Z. Gulberson - Goodreads
