Kaeser Model Ask 32 Service

Compact and refined, but with significantly more power than comparable products, Kaeser Kompressoren is proud to introduce its latest generation of high efficiency ASK series rotary screw compressors. These innovative compressors not only deliver more compressed air for less energy, but also impress with their user- and service-friendly design.

Kaeser presents the powerful ASK series – KAESER KOMPRESSOREN

Service-friendly design – straightforward handling KAESER FILTER products feature a corrosion-resistant aluminium housing and a stable filter element. The practical bayonet lock ensures automatic positioning of the housing and element seals, which prevents the filter housing from being sealed unless a filter element has been inserted.
