What Is the Purpose of This Step? Step 1 is about letting go. You admit you have a problem and begin to seek out assistance. It isn't easy, but admitting powerlessness allows you to break the cycle of addiction that you've been stuck in. Alcoholics Anonymous believes that admitting you can't control your alcohol use is a necessary first step on the path to recovery.

AA Step 1 | Acceptance Is The First Step To Recovery

Step 5—Plan an Activity for the Students in the Middle of the Lecture 1. Break up lecture by using small 2-3 person groups to write, discuss, summarize , solve a problem related to the lecture. 2. Have students rise up and stretch at the mid-point of the lecture. 3.

Eight Steps to Active Lecturing | Learner Centered Teaching

1.1 The Big Bang. There is persuasive evidence that the Universe was created in "the Big Bang", in which space and time were created in a simple hot energetic, state, about 15 billion (15 x 10⁹) years ago. 1.1.1 Five steps from the Big Bang to Stars. During the first 10-43 seconds the four fundamental forces are unified (although no complete physical description of this era yet exists).

Lecture 1 : From the Big Bang to Stars

The first lecture, The Six Steps, teaches you how to create implementable relational database models in six steps.It goes through the six steps outlined in the book detailing each step using a case study to reinforce the methodology. This lecture is recommended for persons wanting to learn the details of each step in the six-step relational database design process.
