Litigation In Roman Law

The history of Roman Law can be divided into three systems of procedure: that of legis actiones, the formulary system, and cognitio extra ordinem. The periods in which these systems were in use overlapped one another and did not have definitive breaks, but it can be stated that the legis actio system prevailed from the time of the XII Tables (c. 450 BC) until about the end of the 2nd century BC ...

The book examines this evidence, painting a picture of litigation that is far less polite and far less orderly. The book also examines how the rules of procedure coped with the typical pre-trial delays faced by the Roman system, and indeed any legal system.

Litigation in Roman Law - oi

Roman law is no exception. Legal remedies so influenced the structure and evolution of Roman law that substantive law can be understood only from this procedural perspective. Roman jurists were more concerned about specific legal remedies than abstract rights. For this reason, Roman law is by nature and character a law of actions.
