we have included Solved Board Questions and Numericals upto the latest year. Board Questions from old syllabus which fall under the revised syllabus are also added. Solved Board Questions from 2013 to 2016 have been included along with its marking scheme which is indicative and is subject to change as per Maharashtra State Board's discretion.

Physics || II

HSC does all the above instantly - you simply type the reaction equation in the input field and HSC gives you the heat of the reactions, the equilibrium constant at any temperature and the amount of species. HSC even checks the elemental balance and gives potentials vs. the standard hydrogen electrode for electrochemical reactions.
