Building Melodic Patterns in the Major Scale by Tony Oreshko. MELODIC PATTERNS So far we've learnt how to build triads and diatonic 7ths in major keys. We then looked at progressions that use these chords, worked out the key the chords came from and used the major scale of that key to improvise over them.

Melodic Patterns in the Major Scale by Tony Oreshko
The melodic Major scale was used in Eastern European folk melodies, but was ignored by most classical composers. Today this scale, like the harmonic Major scale, is used in Jazz Music. The difference between a melodic Major scale and a harmonic Major scale is that in the melodic Major scale we have 7th degrees lowered by a half tone.
