Home » "Making Votes Count" Abstract. Early in the 1984 presidential primary season in the United States, it was clear that the sitting President, Ronald Reagan, would easily win the Republican nomination and that former Vice President Walter F. Mondale was the front-runner for the Democratic nod. ... This is a book about strategic ...

"Making Votes Count" Abstract | Gary W. Cox

tive vote of investiture). Figure 1 provides a schematic picture of the coordination problems this es-say considers. Within each district (bottom row of boxes), votes are converted into seats in accordance with the particular rules obtaining in the system under consideration. These rules set up what I call the local coordination problem.

Tactical voting - Wikipedia

This paper examines effects that alternative voting systems can have on electoral outcomes in multicandidate elections. Using ballots collected from a county Republican Party special election, we recount the votes using preference-based voting systems and compare the results to the special election outcome. Relative rankings of candidates change across vote counting rules and voting systems.
