Montessori Play and Learn Centre Ltd in Edmonton, Alberta opened its doors in September 1982 in a single classroom in Argyll Elementary School under the direction of our founder Mrs Naaz Sabur. Mrs Sabur, then a new graduate from the Maria Montessori Training Organization in London, England, brought with her a passion for the Montessori Method of teaching.

Montessori Play and Learn Centre
And as more and more studies come out confirming the importance of free play in childhood and in children's development and learning, I can see parents being "turned off" from Montessori because of this. But, the thing is-- while one may not see "play" in a Montessori classroom, the spirit of play is very much still there.

Montessori and Play - MariaMontessori.com
Children learn to abstract, to try out new roles and possible situations, and to experiment with language and emotions with fantasy play. In addition, children develop flexible thinking; learn to create beyond the here and now; stretch their imaginations, use new words and word combinations in a risk-free environment, and use numbers and words to express ideas, concepts, dreams, and histories.

"Play Is The Work of the Child" Maria Montessori
The Montessori method encourages self-directed learning through exploration and play. We help children learn through a variety of specially developed materials. These materials may look like fun toys, but they are designed to help your child learn and master difficult concepts. Here are some of the most common learning materials you might see in a [...]

10 Common Montessori Learning Materials and How They Help ...
"Children need the freedom and time to play. Play is not a luxury. Play is a necessity." Kay Redfield Jamison. Play is the most valuable way that children learn. Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development. It is through play that children at a [...]

The Value of Play for Young Children - Montessori Rocks
Playful Learning and Montessori Education s Angeline S. Lillard Although Montessori education is often considered a form of playful learning, Maria Montessori herself spoke negatively about a major component of playful learning—pretend play, or fantasy—for young children. In this essay, the author
