There are other programming cables that may or may not work program your Motorola Radius. It is best to use the recommended cables and connectors listed above. WARNING! – Some cheap USB serial port adapters do not work to program your Motorola Radius. I had to trash two different USB serial port adapters before I found one that worked for me.

Motorola Radius Programming GM300/GR300/M10/M120

All of these radios belong to the same family and are covered under the same service manual, hence, most of the information should be common to all models. ... I talked to the local Motorola dealer and they said that programming these radios with older RSS than they had last been programmed with would indeed corrupt the code.
