One Breath Apart: Facing Dissection: 9780415786140 ...
One Breath Apart: Facing Dissection is a pictorial and narrative account of gross anatomy class in medical school. The book highlights the educational, moral and metaphysical opportunities anatomy courses afford those who dissect and learn from the cadaver.

One Breath Apart: Facing Dissection - New York University
These words represent an affirmation of empathy and compassion over detachment. One of the most compelling images of "One Breath Apart" shows the anatomy cadaver as a bridge spanning the chasm that lies between ignorance, darkness, and death on one side and knowledge, health, and life on the other. Dozens of tiny figures march across the span.
