Music Theory explains how notes relate to each other in our piano music. Even though we read just one note at a time when we're playing our piano pieces, what we learn through Music Theory is how each of those individual notes actually fit in with all of the other notes to create the bigger picture which is the piece as a whole.

Music Theory Fundamentals Exam | New England Conservatory

Piano pedagogy is the study of the teaching of piano playing. Whereas the professional field of music education pertains to the teaching of music in school classrooms or group settings, piano pedagogy focuses on the teaching of musical skills to individual piano students. This is often done via private or semiprivate instructions, commonly referred to as piano lessons.
