Reparenting the Child Who Hurts: A Guide to Healing ...

The author's basic premise is that all children who have been adopted or placed in long-term care have undergone some form of psychological hurt. She argues that while some children will be more resilient to this hurt than others, many children will need their hurt to be acknowledged by their parents/carers, and be allowed to grieve for their losses in order to move forward to a life of greater well-being and fulfillment.

I am glad I read ReParenting Yourself so I could grow up again and begin to work with my children before they were caught in the wrong crowds and ended up on drugs and alcohol running away from themselves. I was able to see a whole different way to work with them so they could respect and trust me and know that I could give them unconditional love.
