Learn how to create your own sculptural forms and benches to cover in mosaic. In this 3-day experiential workshop students will work as a team with Master Sculptor Brent Sumner from New Zealand, to create a three-dimensional concrete form as a base for a fantastical mosaic bench. The workshop is part demo and part hands-on building.

Concrete Sculptural Forms for Mosaic — True Mosaics Studio

Outdoor mosaics should be made on metal, cement, terracotta and other materials that are resistant to moisture. Wood should only be used for indoor mosaics because wood expands and contracts with daily changes in humidity, and your mosaic tile will fall off over time, usually more rapidly than you would think.

How To Make Outdoor Mosaic Art. Mosaic art is a tough thing to get started on. Seriously tough. My father in law is a mosaic artist, and I see him work on his art all the time. He is good at what he does, and makes it seem really easy. It is not easy at all. You can see his work [HERE](#). A few years ago I decided to give it a try.

The mosaic process is similar for outdoor mosaics (such as pools and fountains) but thinset mortar is used outdoors instead of Weldbond adhesive. For wet mosaics such as shower floors, you also need to use thinset. Thinset is a sticky concrete with polymers added for strength, adhesion and water resistance.
