*In short, social work is
about empowering people. A
complex endeavor, inciting
this shift of others'
perspectives can benefit
from the framework of the
various theories used in
social work practice. A
theory is a logical system
of concepts that helps to
explain why something
happens in a particular way
and to predict outcomes.*

*Social Work Theories in
Context: A Critical
Introduction ...*

Many definitions of theory in social work often include some functions of social work, which makes the main difference between definitions of theory in general and definitions of theory in social work. The following are eight definitions of theory in social work from the literature demonstrating this point (See Table 2).
