Book Review: Taking Our Places: The Buddhist Path to Truly ...

In contrast with many Indian religious traditions, Buddhism does not regard the body and the mind or spirit as being two entirely separate entities - there is no sense in Buddhism that the body is a "vessel" that is guided or inhabited by the mind or spirit. Rather, the body and mind combine and interact in a complex way to constitute an individual.

Buddhism and the body - Wikipedia

When I think of women and Buddhism, I see before me the faces of our Western Buddhist female pioneers. In the relatively easier situation we enjoy today, with the proliferation of powerful women teachers and spokespeople, I wonder if we will forget these early women who placed the foundational stones on our path.
