Teaching literacy is more than teaching simple reading skills: it can ' t be done in five easy steps By Robyn Ewing If we truly care about all Australian children and young people becoming literate I believe it is vital we understand and define the complexity of literacy.

Teaching literacy is more than teaching simple reading ...

Chapter One: Delpit introduces this writing by sharing her experiences from her own education and teaching. After teaching in an inner-city school, she became discouraged by how she taught the African American children. She taught with the idea of an open classroom, but it seemed to primarily only benefit the white children.

Chapter Summaries - Other People's Children By Lisa Delpit

Reading Other People's Children makes it impossible for one — as a teacher, administrator, or parent — to see teaching as an apolitical endeavor that has little relationship to issues of liberation and injustice. Implied in Delpit's work is the vision that when U.S. citizens become committed to removing oppression from our daily ...

Review of Other People's Children - HEPG

Sorting, matching, classifying, and sequencing materials such as beads, a box of buttons, or a set of colored cubes, contribute to children's emerging literacy skills. Rolling playdough and doing fingerplays help children strengthen and improve the coordination of the small muscles in their hands and fingers.
