Do I receive the NICEIC technical manual as a approved
contractor or do I need to purchase it? I purchased the
disc back in march before I was an approved contractor
and that copy has now expired. I was told that as an
approved contractor I will receive the disc again which
has not yet happened.

Qualified Supervisors will be expected to demonstrate a good working knowledge and practical application of the new standard. To aid this process NICEIC and ELECSA will be offering different training options and events outlining some of the key changes within the regulations. This will help contractors understand everything they need to know.
