The Criminal Justice System

Criminal justice is the delivery of justice to those who have committed crimes. The criminal justice system is a series of government agencies and institutions. Goals include the rehabilitation of offenders, preventing other crimes, and moral support for victims. The primary institutions of the criminal justice system are the police, prosecution and defense lawyers, the courts and prisons

Criminal justice - Wikipedia

The Ministry of Justice (MOJ) has responsibility for different parts of the justice system — the courts, prisons, probation services and attendance centres. Its work spans criminal, civil and family justice, democracy, rights and the constitution. MOJ is a ministerial department, supported by 32 agencies and public bodies.

The Criminal Justice System | The Crown Prosecution Service

The criminal justice system is comprised of three major institutions which process a case from inception, through trial, to punishment. A case begins with law enforcement officials, who investigate a crime and gather evidence to identify and use against the presumed perpetrator. The case continues with the court system, which weighs the evidence to determine if the defendant is guilty beyond a ...
